## The Graduate School declared its intention to collaborate with Burapha University in order to advance sustainable development objectives

On May 30, 2024, in Meeting Room 201 of the Thamrong Buasri Auditorium at Burapha University, Associate Professor Dr. watcharin gasaluck, President of Burapha University, and executives and department heads signed a declaration of intention to support and implement the United Nations Sustainable Development Goals (SDGs). This declaration was signed to demonstrate the university's dedication to being a leader in education and research that prioritizes sustainable development by incorporating the concepts and principles of sustainable development into all aspects of the university's operations. The declaration reads as follows:

1. Development of knowledge and learning that are sustainable
2. Management that prioritizes sustainability
3. Improving the quality of existence and overall well-being
4. Community engagement and growth
5. Restoration and conservation of the environment
6. Improving the country's target industries

The Graduate School, by Assistant Professor Dr. Supphasin Thaweesak, Vice-Dean for Strategic Planning, Research, and International Affairs, participated in the event and declared their intention to advance to the position of leaders in sustainable development through shared responsibility and cooperation. In order to maintain its commitment to fostering a brighter future for communities and the world, the Graduate School is committed to addressing SDGs 4 and 17: ensure inclusive and equitable quality education and promote lifelong learning opportunities for all, and strengthen the means of implementation and revitalize the global partnership for sustainable development.
