## Meeting on the Guidelines for Recording Credits from the Bachelor's-Master's Integrated Program in the Credit Bank System

On October 9, 2025, the Graduate School of Burapha University held a meeting with the Office of the Registrar, the Division of Lifelong Learning, and the Faculty of Humanities and Social Sciences to discuss the guidelines for recording academic credits earned from the Bachelor's-Master's Integrated Program in the Credit Bank System.

The meeting focused on the implementation framework for the Bachelor's-Master's Integrated Program, consisting of the Bachelor of Communication Arts Program (Revised Curriculum 2021) and the Master of Communication Arts Program in Brand Communication (Revised Curriculum 2026), offered by the Faculty of Humanities and Social Sciences, aims to establish guidelines to ensure that the program's implementation aligns with the regulations, rules, and practices governing education management under the Credit Bank System.

The meeting was held at Room 702, Graduate School Office, Burapha University, and via online format.
