

Graduate Student Orientation 2026

International Student Edition

Academic regulations, research milestones, official systems, and graduation requirements for graduate students at Burapha University.

Graduate School, Burapha University

Class of 2026

For official details, always consult your program, faculty, the Graduate School, and the current university regulations.

629

New graduate students

558

Master's degree students

71

Doctoral degree students

11.3%

Doctoral proportion

Degree distribution

Master's degree students account for 88.7% of the cohort; doctoral students account for 11.3%.

Master's 88.7%

Doctoral 11.3%

Largest faculty groups

Faculty of Education: 190
Faculty of Nursing: 129
Faculty of Business Administration: 71
Faculty of Public Health: 38
Faculty of Allied Health Sciences: 28

Reminder: requirements differ by program. Use your curriculum structure and official announcements as the primary reference.

Understand

your curriculum pathway and major research milestones.

Register

in accordance with your curriculum, advisor approval, and prerequisite rules.

Use

official Graduate School systems for forms, tracking, and i-Thesis procedures.

Plan

for English proficiency, publication, academic integrity, and graduation.

**Assoc. Prof. Dr.
Witawat Jangiam**
Dean of Graduate School

**Asst. Prof. Dr.
Montana Rugsiyopas**
**Vice Dean for Academic
Affairs**

**Asst. Prof. Dr.
Suphasin Thaweesak**
**Vice Dean for Research,
Strategic Planning, and
International Affairs**

**Dr.
Suparat Sukwisuth**
Assistant Dean

NEWS TOPIC

1. (VERY HIGH PRIORITY)

ANNOUNCED BY - ANNOUNCED DATE 15 July 2025

2. Paying tuition fees

Get your receipts. Login to <https://reg.buu.ac.th>, click on "Print Receipt" and then click on "Download". If you have any questions about your receipt or making a payment, please contact the Finance Division, 3rd Floor, president building or <https://www.facebook.com/financebuu> or Tel.038-102157

ANNOUNCED BY - ANNOUNCED DATE 1 May 2024

3.

ANNOUNCED BY - ANNOUNCED DATE 7 June 2025

4. Permanent user account cancellation

Permanent BUU account cancellation

The BUU Account consists of a username and password that are used to authenticate and grant access to Burapha University's network, email, and various information systems.

Permanent account termination means that the user's account will be permanently deleted from the system. As a result, the user will no longer be able to access the university's network, email, or any information systems. Additionally, all data stored under the user's account will be permanently deleted and cannot be recovered. This action effectively ends the user's access to all university-related digital services and systems.

Thesis, Independent Study, and Dissertation Workflow

MASTER'S THESIS: PROCESS AND GUIDELINES 2026

In accordance with Graduate School Announcement, Burapha University No. 0017/2569
Subject: Master's Thesis Requirements for Master's Degree Students, Burapha University, B.E. 2569 (2026)

1 MANDATORY TRAINING REQUIREMENTS

1. Research Ethics
2. i-Thesis System Training
3. Information Literacy Skills

2 THESIS REGISTRATION

Students are eligible to register for the thesis upon successful completion of at least half of the coursework required by the program (Plan 1, Coursework and Thesis).

GRD-001

3 APPOINTMENT OF THE THESIS SUPERVISORY COMMITTEE

Students shall propose a thesis title and seek approval for the appointment of the Thesis Supervisory Committee via the GRD-Forms system, GRD-001.

4 APPOINTMENT OF THE THESIS PROPOSAL EXAMINATION COMMITTEE GRD-002

Students are required to obtain approval to schedule the thesis proposal examination and appoint the Thesis Proposal Examination Committee by submitting Form GRD-002. The examination must be scheduled **at least ten (10) days** after the date of submission.

5 REPORTING THE RESULTS OF THE THESIS PROPOSAL EXAMINATION GRD-003

Students awarded a grade of **S (Satisfactory)** must revise the thesis proposal in accordance with the recommendations of the Thesis Proposal Examination Committee and submit Form GRD-003 **within thirty (30) days**.

6 THE COMMITTEE SHALL DETERMINE WHETHER INSTITUTIONAL REVIEW BOARD (IRB) APPROVAL IS REQUIRED

- **If IRB approval is required:** Students must obtain IRB approval from the Office of Research Administration and Innovation before initiating data collection.
- **If IRB approval is not required:** Students may conduct the research in accordance with the approved thesis proposal.

7 THESIS PROGRESS REPORTING

Students are required to report their thesis progress to the Principal Thesis Advisor at the end of each semester.

GRD-004

8 APPOINTMENT OF THE THESIS ORAL EXAMINATION COMMITTEE

Students who meet the following requirements may seek approval to schedule the thesis oral examination and appoint the Thesis Oral Examination Committee **no fewer than ten (10) days** from the date of submission of Form GRD-004:

- A cumulative grade point average (GPAX) of **not less than 3.00 (where applicable)**.
- Completion of thesis work for **at least ninety (90) days** from the date the Dean of the Graduate School approved the results of the thesis proposal examination.

Request for Thesis Confidentiality: Students who wish to request confidentiality of their thesis must submit a confidentiality request form concurrently with the request for approval to schedule the thesis oral examination and appoint the Thesis Oral Examination Committee.

9 REPORTING THE RESULTS OF THE THESIS ORAL EXAMINATION GRD-005

- **S (Satisfactory):** Students must revise the thesis in accordance with the recommendations of the Thesis Oral Examination Committee and submit Form GRD-005 **within thirty (30) days**.
- **I (Incomplete):** Students must revise the thesis in accordance with the recommendations of the Thesis Oral Examination Committee and submit Form GRD-005 **within ninety (90) days**.
- **U (Unsatisfactory):** Students may request permission to undertake a second oral examination, subject to approval from the Thesis Advisor, the Faculty/College, and the Dean of the Graduate School. A new request for the appointment of the Thesis Oral Examination Committee (Form GRD-004) must be submitted **within sixty (60) days**, and the re-examination must be completed **within ninety (90) days** from the date of the initial examination.

10 PLAGIARISM VERIFICATION GRD-008

Students are required to submit a plagiarism detection report via **Form GRD-008**.

- Thesis written in **Thai** must be screened using the **Akkharawisut Program**.
- Thesis written in **English** must be screened using **Turnitin**.

11 APPLICATION FOR GRADUATION

Students are required to submit all required supporting documents for graduation via the GRD-Exit system.

Remarks: This infographic is intended for summary and communication purposes only. In the event of any discrepancy between this infographic and the official Announcement of the Graduate School, the official Announcement shall govern.

INDEPENDENT STUDY: PROCESS AND GUIDELINES 2026

In accordance with Graduate School Announcement, Burapha University No. 0018/2569
Subject: Independent Study Requirements for Master's Degree Students, Burapha University, B.E. 2569 (2026)

1 MANDATORY TRAINING REQUIREMENTS

1. Research Ethics
2. i-Thesis System Training
3. Information Literacy Skills

2 INDEPENDENT STUDY REGISTRATION

Students are eligible to register for the independent study upon successful completion of at least half of the coursework required by the program.

3 APPOINTMENT OF THE INDEPENDENT STUDY SUPERVISORY COMMITTEE GRD-001

Students are required to submit a proposed independent study title and obtain approval for the appointment of the Independent Study Supervisory Committee **via the GRD-Forms system**, GRD-001.

4 APPOINTMENT OF THE INDEPENDENT STUDY PROPOSAL EXAMINATION COMMITTEE GRD-002

Students are required to obtain approval to schedule the independent study proposal examination and appoint the Independent Study Proposal Examination Committee by submitting Form GRD-002. The examination must be scheduled **at least ten (10) days** after the date of submission.

5 REPORTING THE RESULTS OF THE INDEPENDENT STUDY PROPOSAL EXAMINATION GRD-003

Students awarded a grade of **S (Satisfactory)** must revise the independent study proposal in accordance with the recommendations of the Independent Study Proposal Examination Committee and submit Form GRD-003 **within thirty (30) days**.

6 THE COMMITTEE SHALL DETERMINE WHETHER INSTITUTIONAL REVIEW BOARD (IRB) APPROVAL IS REQUIRED

- **If IRB approval is required:** Students must obtain IRB approval from the Office of Research Administration and Innovation before initiating data collection.
- **If IRB approval is not required:** Students may conduct the research in accordance with the approved independent study proposal.

7 INDEPENDENT STUDY PROGRESS REPORTING

Students are required to report their independent study progress to the Principal Independent Study Advisor at the end of each semester.

8 APPOINTMENT OF THE INDEPENDENT STUDY ORAL EXAMINATION COMMITTEE GRD-004

Students who meet the following requirements may seek approval to schedule the independent study oral examination and appoint the Independent Study Oral Examination Committee **no fewer than ten (10) days** from the date of submission of Form GRD-004:

- A cumulative grade point average (GPAX) of **not less than 3.00**.
- Completion of independent study work for **at least forty-five (45) days** from the date the Dean of the Graduate School approved the results of the independent study proposal examination.

Request for Independent Study Confidentiality: Students who wish to request confidentiality of their independent study must submit a confidentiality request form concurrently with the request for approval to schedule the independent study oral examination and appoint the Independent Study Oral Examination Committee.

9 REPORTING THE RESULTS OF THE INDEPENDENT STUDY ORAL EXAMINATION GRD-005

- **S (Satisfactory):** Students must revise the independent study in accordance with the recommendations of the Independent Study Oral Examination Committee and submit Form GRD-005 **within thirty (30) days**.
- **I (Incomplete):** Students must revise the thesis in accordance with the recommendations of the Independent Study Oral Examination Committee and submit Form GRD-005 **within ninety (90) days**.
- **U (Unsatisfactory):** Students may request permission to undertake a second oral examination, subject to approval from the Independent Study Advisor, the Faculty/College, and the Dean of the Graduate School. A new request for the appointment of the Independent Study Oral Examination Committee (Form GRD-004) must be submitted **within sixty (60) days**, and the re-examination must be completed **within ninety (90) days** from the date of the initial examination.

10 PLAGIARISM VERIFICATION GRD-008

Students are required to submit a plagiarism detection report via **Form GRD-008**.

- Independent study written in **Thai** must be screened using the **Akkharawisut Program**.
- Independent study written in **English** must be screened using **Turnitin**.

11 COMPREHENSIVE EXAMINATION (CE)

Students must successfully complete all required coursework before undertaking the Comprehensive Examination.

12 APPLICATION FOR GRADUATION

Students are required to submit all required supporting documents for graduation via the GRD-Exit system.

DOCTORAL DISSERTATION: PROCESS AND GUIDELINES 2026

In accordance with Graduate School Announcement, Burapha University No. 0016/2569
Subject: Doctoral Dissertation Requirements for Doctoral Students, Burapha University, B.E. 2569 (2026)

1 MANDATORY TRAINING REQUIREMENTS

1. Research Ethics
2. i-Thesis System Training
3. Information Literacy Skills

2 DISSERTATION REGISTRATION

Upon successful completion of the coursework required by the program of study.

3 QUALIFYING EXAMINATION (QE)

- **Plan 1:** Students may undertake the Qualifying Examination after official enrollment as doctoral students.
- **Plan 2:** Students are eligible to undertake the Qualifying Examination upon successful completion of **no fewer than two-thirds (2/3)** of the coursework credits required by the program, **excluding dissertation credits**.

GRD-001

4 APPOINTMENT OF THE DISSERTATION SUPERVISORY COMMITTEE

Students shall propose a dissertation title and request approval for the appointment of the Dissertation Supervisory Committee **via the GRD-Forms system**, GRD-001.

5 APPOINTMENT OF THE DISSERTATION PROPOSAL EXAMINATION COMMITTEE GRD-002

Students are required to obtain approval to schedule the dissertation proposal examination and appoint the Dissertation Proposal Examination Committee by submitting Form GRD-002. The examination must be scheduled **at least ten (10) days** after the date of submission.

6 REPORTING THE RESULTS OF THE DISSERTATION PROPOSAL EXAMINATION GRD-003

Students awarded a grade of **S (Satisfactory)** are required to revise the dissertation proposal in accordance with the recommendations of the Dissertation Proposal Examination Committee and submit Form GRD-003 **within thirty (30) days** from the examination date.

7 THE COMMITTEE SHALL DETERMINE WHETHER INSTITUTIONAL REVIEW BOARD (IRB) APPROVAL IS REQUIRED

- **If IRB approval is required:** Students must obtain IRB approval from the Office of Research Administration and Innovation before initiating data collection.
- **If IRB approval is not required:** Students may conduct the research in accordance with the approved dissertation proposal.

8 DISSERTATION PROGRESS REPORTING

Students are required to report their dissertation progress to the Principal Dissertation Advisor at the end of each semester.

GRD-004

9 APPOINTMENT OF THE DISSERTATION ORAL EXAMINATION COMMITTEE

Students who meet the following requirements may seek approval to schedule the dissertation oral examination and appoint the Dissertation Oral Examination Committee **no fewer than ten (10) days** from the date of submission of Form GRD-004:

- A cumulative grade point average (GPAX) of **not less than 3.00 (where applicable)**.
- Completion of dissertation work for **at least ninety (90) days** from the date the Dean of the Graduate School approved the results of the dissertation proposal examination.

Request for Dissertation Confidentiality: Students who wish to request confidentiality of their dissertation must submit a confidentiality request form concurrently with the request for approval to schedule the dissertation oral examination and appoint the Dissertation Oral Examination Committee.

10 REPORTING THE RESULTS OF THE DISSERTATION ORAL EXAMINATION GRD-005

- **S (Satisfactory):** Students must revise the dissertation in accordance with the recommendations of the Dissertation Oral Examination Committee and submit Form GRD-005 **within thirty (30) days**.
- **I (Incomplete):** Students must revise the dissertation in accordance with the recommendations of the Dissertation Oral Examination Committee and submit Form GRD-005 **within ninety (90) days**.
- **U (Unsatisfactory):** Students may request permission to undertake a second oral examination, subject to approval from the Dissertation Advisor, the Faculty/College, and the Dean of the Graduate School. A new request for the appointment of the Dissertation Oral Examination Committee (Form GRD-004) must be submitted **within sixty (60) days**, and the re-examination must be completed **within ninety (90) days** from the date of the initial examination.

11 PLAGIARISM VERIFICATION GRD-008

Students are required to submit a plagiarism detection report via **Form GRD-008**.

- Dissertations written in **Thai** must be screened using the **Akkharawisut Program**.
- Dissertations written in **English** must be screened using **Turnitin**.

12 APPLICATION FOR GRADUATION

Students are required to submit all required supporting documents for graduation via the GRD-Exit system.

DOCTORAL DISSERTATION: PROCESS AND GUIDELINES 2026

In accordance with Graduate School Announcement, Burapha University No. 0016/2569
Subject: Doctoral Dissertation Requirements for Doctoral Students, Burapha University, B.E. 2569 (2026)

1 MANDATORY TRAINING REQUIREMENTS

1. Research Ethics
2. i-Thesis System Training
3. Information Literacy Skills

2 DISSERTATION REGISTRATION

Upon successful completion of the coursework required by the program of study.

3 QUALIFYING EXAMINATION (QE)

- **Plan 1:** Students may undertake the Qualifying Examination after official enrollment as doctoral students.
- **Plan 2:** Students are eligible to undertake the Qualifying Examination upon successful completion of **no fewer than two-thirds (2/3)** of the coursework credits required by the program, **excluding dissertation credits**.

GRD-001

4 APPOINTMENT OF THE DISSERTATION SUPERVISORY COMMITTEE

Students shall propose a dissertation title and request approval for the appointment of the Dissertation Supervisory Committee **via the GRD-Forms system**, GRD-001.

5 APPOINTMENT OF THE DISSERTATION PROPOSAL EXAMINATION COMMITTEE GRD-002

Students are required to obtain approval to schedule the dissertation proposal examination and appoint the Dissertation Proposal Examination Committee by submitting Form GRD-002. The examination must be scheduled **at least ten (10) days** after the date of submission.

6 REPORTING THE RESULTS OF THE DISSERTATION PROPOSAL EXAMINATION GRD-003

Students awarded a grade of **S (Satisfactory)** are required to revise the dissertation proposal in accordance with the recommendations of the Dissertation Proposal Examination Committee and submit Form GRD-003 **within thirty (30) days** from the examination date.

7 THE COMMITTEE SHALL DETERMINE WHETHER INSTITUTIONAL REVIEW BOARD (IRB) APPROVAL IS REQUIRED

- **If IRB approval is required:** Students must obtain IRB approval from the Office of Research Administration and Innovation before initiating data collection.
- **If IRB approval is not required:** Students may conduct the research in accordance with the approved dissertation proposal.

8 DISSERTATION PROGRESS REPORTING

Students are required to report their dissertation progress to the Principal Dissertation Advisor at the end of each semester.

GRD-004

9 APPOINTMENT OF THE DISSERTATION ORAL EXAMINATION COMMITTEE

Students who meet the following requirements may seek approval to schedule the dissertation oral examination and appoint the Dissertation Oral Examination Committee **no fewer than ten (10) days** from the date of submission of Form GRD-004:

- A cumulative grade point average (GPAX) of **not less than 3.00 (where applicable)**.
- Completion of dissertation work for **at least ninety (90) days** from the date the Dean of the Graduate School approved the results of the dissertation proposal examination.

Request for Dissertation Confidentiality: Students who wish to request confidentiality of their dissertation must submit a confidentiality request form concurrently with the request for approval to schedule the dissertation oral examination and appoint the Dissertation Oral Examination Committee.

10 REPORTING THE RESULTS OF THE DISSERTATION ORAL EXAMINATION GRD-005

- **S (Satisfactory):** Students must revise the dissertation in accordance with the recommendations of the Dissertation Oral Examination Committee and submit Form GRD-005 **within thirty (30) days**.
- **I (Incomplete):** Students must revise the dissertation in accordance with the recommendations of the Dissertation Oral Examination Committee and submit Form GRD-005 **within ninety (90) days**.
- **U (Unsatisfactory):** Students may request permission to undertake a second oral examination, subject to approval from the Dissertation Advisor, the Faculty/College, and the Dean of the Graduate School. A new request for the appointment of the Dissertation Oral Examination Committee (Form GRD-004) must be submitted **within sixty (60) days**, and the re-examination must be completed **within ninety (90) days** from the date of the initial examination.

11 PLAGIARISM VERIFICATION GRD-008

Students are required to submit a plagiarism detection report via **Form GRD-008**.

- Dissertations written in **Thai** must be screened using the **Akkharawisut Program**.
- Dissertations written in **English** must be screened using **Turnitin**.

12 APPLICATION FOR GRADUATION

Students are required to submit all required supporting documents for graduation via the GRD-Exit system.

others GRD Forms

- **GRD-006** Request form for change dissertation / thesis / independent study advisory committee
- **GRD-007** Request form for revised dissertation / thesis / independent study title
(you can submit GRD-007 with **GRD-003** together)
- **GRD-008** Report form for checking plagiarism and duplication 

- Submission of complete dissertation / thesis / independent study (5 chapters)

(edited after oral defense), must print it from **i-Thesis system**

- in case of result of oral defense is **S**, must submit within 30 days after the exam
- in case of result of oral defense is **I**, must submit within 90 days after the exam

7 THE COMMITTEE SHALL DETERMINE WHETHER INSTITUTIONAL REVIEW BOARD (IRB) APPROVAL IS REQUIRED

- If IRB approval is required: Students must obtain IRB approval from the Office of Research Administration and Innovation before initiating data collection.
- If IRB approval is not required: Students may conduct the research in accordance with the approved dissertation proposal.

6 THE COMMITTEE SHALL DETERMINE WHETHER INSTITUTIONAL REVIEW BOARD (IRB) APPROVAL IS REQUIRED

- If IRB approval is required: Students must obtain IRB approval from the Office of Research Administration and Innovation before initiating data collection.
- If IRB approval is not required: Students may conduct the research in accordance with the approved thesis proposal.

6 THE COMMITTEE SHALL DETERMINE WHETHER INSTITUTIONAL REVIEW BOARD (IRB) APPROVAL IS REQUIRED

- If IRB approval is required: Students must obtain IRB approval from the Office of Research Administration and Innovation before initiating data collection.
- If IRB approval is not required: Students may conduct the research in accordance with the approved independent study proposal.

Report for Research Classification for Research Ethics Review Application

Proposal: ☐ Independent Study ☐ Thesis ☐ Dissertation

Title:

6. The **result** for the research ethics proposal classification is as follows,

- ☐ Considered for ethical approval of research on/in humans
- ☐ Considered for ethical approval of research on animals
- ☐ Considered for ethical approval of research biosafety)
- ☐ Does not require research ethics approval
- ☐ Does not wish to classify type of research proposal for ethics review. Student needs to submit research ethics approval application according to the Research and Innovation Administration Division's requirements
